What is Boost?

Boost is a benefits programme that lets employers reward their team with discounts and special offers at NZ retailers and service providers.

Who's behind Boost?

Boost is powered by n3, which has delivered its 16,000+ members over 74 million dollars in savings in the last 12 months.

What's in it for your business?

- · Instant discounts and rewards for your staff.
- Greater loyalty from existing staff who gain access to Boost through their employer - stand out from the competition.
- Increased brand awareness through Boost's communication channels.

What's in it for your team?

 Exclusive, relevant and compelling offers from some of New Zealand's leading retailers and service providers

- The Boost App provides instant access to in-store deals and discounts
- The Boost App and Website provide discount codes that can be used online and in-store

You'll be in good company.

Many of New Zealand's leading retailers and service providers are already part of the Boost programme.

Bring your own benefits.

If you already offer existing staff incentives, you can add them to Boost, giving you and your staff a single place for all your employee benefits.

Boost Website & App

The Boost website can be used to access online discounts and offers plus access to Limited Time Offers.

The Boost app can be presented in-store for discounts and offers plus access to Limited Time Offers, updates & notifications

All retailers have a profile page that includes standard offer details and POS instructions

Simple as 1, 2, 3!
