

Join the Care Pass Pilot Programme

Get your injured workers back to safe, suitable duties faster. Plus, get optional access to Telehealth on demand.

Safetree and FICA have partnered to offer Safetree Certified Contractor FICA Members in the Bay of Plenty and Tairāwhiti free* access to this CarePass Pilot Programme, running from 1 September 2026.

INCLUDED - NO CHARGE*

Care Pass Platform

Your crew's roles, tasks and light-duty options — ready for any GP treating your workers.

- Your job roles & light-duty options loaded into Care Pass
- Certifying GPs see your actual site tasks — not guesswork
- Update roles anytime as the work changes
- Covered in full for FISC & SafeTree members during the trial

OPTIONAL - ADD ON

Telehealth, on demand

Need a doctor fast? Book a Care Pass occupational GP consult any time — nationwide.

\$95 +GST

per 30-minute consultation, booked as you need it

- Invoiced straight to your company — no paperwork chase
- No membership fee — pay only when it's used

ELIGIBILITY

*CarePass subscription is free for eligible contractors. Trial pricing applies to Safetree Certified FICA members in Bay of Plenty and Tairāwhiti. Cost of telehealth / medical / GP appointment is at your own cost.

How to sign up

Register your crew online, or come along to an onboarding event to get set up in person. We'll load your crew's roles and get your team set up on Care Pass on the spot.
